

STAGE FLASH

Date: 20 May 2006 Flash N12
Leg: 2 Distance: 12.28km
Special Stage: Su Filigosu
Wheater: Partly cloudy
Road Condition: The route is cleaner and not too rutted. Lot of spectators, but in the right places

N° 12 Aigner	It's very hot, but the car is fine.
N° 7 Sthol	He still has handling problems, maybe because of the tyres or the brakes
N°27 K. Sohlberg	I'm happy with my performance, even if I hit something with the car and I hurt a little bit my hand as a consequence.
N°26 Valimaki	The car goes better than before.
N. 25 Galli	There is smoke coming out of the engine. The car left an oil trail.
N. 5 P Solberg	He wear a mask in order to breath properly
N. 21 Sordo	He is hiding for the podium. Car and tyres are fine.
N. 4 Hirvonen	He is satisfied with the race so far even if it is difficult. He believes tomorrow is going to be tough day
N° 1 Loeb	He didn't push too much, but he thnks he maintained a good pace

STAGE FLASH

N. 6 Atkinson	He is improving and he hope to make up.
N. 23 Perez Companc	he said he disputed the last two stages almost without brakes
N. 11 Rovanner	He had driving problems in the last two stages. He lost time because he went off the road
N. 9 Wilson	Oversteering problems
N. 41 Sandell	He had a puncture 100 meters before the end of the stage, therefore he lost only few seconds
N. 39 Rautenbach	He had a puncture at the right rear tyre, the same thing that happened in the prvious pass on the same stage
N. 33 Aava	Puncture the front left tyre
N. 26 Valimaki	He solved the overheating problems and now he is catching up
N. 88 Alen	He got off between the second and the third intermediate and hit a tree. Drivers unhurt.
N. 71 Errani	He finished the stage with the front right tyre punctured
N. 102 Bettega	He changed the set up and he won the last two stages. Very happy
N. 105 Schammel	He finished the stage without brakes and he passed the time control.
N. 82 Eugeni	1,5 km before the end of the stage he hit a rock and got a puncture.
