

## STAGE FLASH

Date: 21 May 2006 Flash N13  
Leg: 3 Distance: 13.46 km  
Special Stage: San Giacomo  
Wheater: Sunny  
Road Condition: The roadbed firm with some lose stones. The first part is up hill than flat and towards the end a ford. Lots of spectators at the start of the stage.

---

N° 11 Rovanpera	Traction problems going out of the curves because a malfunction of the differential,
N° 12 Aigner	Set up problems
N°24 Machale	He thinks the stage is very narrow
N°22 Duval	No problems on the car only lose stones on the route that made difficult the line
N° 7 Sthol	Spectacular pass in the ford. He found some lose stones.
N°5 P.Solberg	He made a mistake in the straight part and lost few seconds.
N°26 Valimaki	I have no problems but is going to be difficult to make up for the delay
N°6 Atkinson	No problems. He is disappointed about yesterday's penalty, he doesn't want to risk too much
N°2 Pons	Everything fine
N°25 Galli	He did not restart this morning
N°21 Sordo	The front left tyre off the rim. He is testing new set ups for the next round in Greece
N°4 Hirvonen	Satisfied with his performance
N°1 Loeb	He find's difficult to keep the concentration

## STAGE FLASH

N°48 Wilks	Lot of dust in the cockpit
N°41 Sandell	Nervous. He tried to attack and he will go on like this, but he chose a wrong set up
N°42 Pressac	He made a mistake in a bend and
