

STAGE FLASH

Date: 21 May 2006 Flash N17
Leg: 3 Distance: 9.59
Special Stage: Campovaglio
Wheather: Sunny
Road Condition: The stage is faster and cleaner than this morning not rutted. Lots of spectators

N° 22 Duval	He hit the left part of the car
N° 27 Sohlberg	Has problems withn the rear tyres
N°6 Atkinson	He pushed a lot and he want to keep doing it in order to gain one more position
N° 4 Hitvonen	He slow down a bit even if it was possible to go faster. Less dust on the road. He won't push too much in the next either
N° 1 Loeb	He says that it's almost done. He will drive carefully in the last stage. Satisfied with the car
N° 21 Sordo	The route is cleaner and faster, the grip is better, but we don't want to risk
N° 42 Pressac	Went off the road at km 7 after a bend. Crew not injured. The front right of the car damaged. He thanks spectators that helped him to pull the car back on the road.
N° 51 Kara	He stopped at km 7.4 for mechanical problems.
N° 100 Marrone	He disputed part of the stage on three wheels and the co-driver hanging out of rear back door to keep the car balanced
N° 78 Campedelli	Stopped at km 6 , he is trying to restart
N° 74 Perico	He finished the stage with the rear part of the car damaged

STAGE FLASH

N° 97 Dettori	He stopped in the stage with fire coming out of the front part of the car
N° 90 Benoni	Like in ss 15 he had problem with a fire in the car. He retired
N° 100 Marrone	He lost the front left hub. Is going to be almost impossible for him to continue the race
N. Campedelli	Stopped in the stage
