

STAGE FLASH

Date: 19 May 2006 Flash N°2
Leg: 1 Distance: 18.47 km
Special Stage: Onani
Wheater: Cloudy at the start, then fine
Road Condition: Roadbed smooth in the first part until km 8, rutted until km 13 and then good up to the end

N°1 Loeb "I did much better on this stage, but I'm still surprised about Gronholm times"

N° 3 Gronholm "Very well, we changed the set up yesterday. Maybe we did the right choice. I cannot explain the incredible times we are doing."

N° 21 Sordo "Too many stones I'm worried about the road bed"

N° 5 P. Solberg "Everything fine, I'm pushing but not too hard"

N° 7 Stohl In the first stage he got problem with the brakes and tyres and in this one as well. The car has no grip

N° 25 Galli "I start knowing the car, but we really missed the pre-race tests"

N° 4 Hirvonen "I'm doing fine but the race is still very long"

N° 8 H. Solberg Went off the road and has the rear right part of the car damaged. Nothing serious

N. 22 Duval Problems with the car

N. 10 Katajamaki Problems with the brakes

N. 9 Wilson Rear left suspension and wheel damaged

N. 11 Rovampera Problems with the microphone inside the car since the first stage

N. 41 Sandell Good feeling with the car but he does not attack yet
