

## STAGE FLASH

Date: 20 May 2006 Flash N°8  
Leg: 2 Distance: 31.20 km  
Special Stage: Monte Lerno  
Wheater: Partly cloudy ,some wind.  
Road Condition: Lot of spectators, well placed, especially near the jump

---

N° 12 Aigner	Some problems because he is first on the road.
N°10 Katajamaki	He hit the rear bottom part of the bodyshell
N° 7 Sthol	He tried to attack but he is not satisfied with the attitude of the car
N°22 Duval	I'm not satisfied is a difficult stage and I do not have the right set up
N°27 K. Sohlberg	Too much dust in the cockpit and this bothers him.
N. 6 Atkinson	He landed too hard after the jump
N°25 Galli	Not a very good grip, even if the tyre choice was the right one.
N° 5 P. Solberg	I'm not satisfied about the settlement of the car and tyres.
N° 21 Sordo	He is glad that he was able to stay in front of Galli. Both the right tyres punctured.
N°4 Hirvonen	He hit the front right wheel arch after the jump. The race is still very long
N° 1 Loeb	I heard Gronholm stopped in the stage. From now on I will take control of the race.
N°3 Gronholm	He stopped at the third intermediate. He hit a rock and he broke the sump no oil pressure.
N. 11 Rovannerpa	it's a great stage, very fast. No problems with the car. I couldn't push on the humps.
N. 48 Wilks	Much better than yesterday, is going better also because of a better tyre choice
N. 41 Sandell	I risk because I have problems with the adherence of the car.

## STAGE FLASH

- N. 54 Burkart Problems with the set up. Understeering entering the curve and oversteering when exit the curve..
- N. 33 Aava The set up is too hard. It is difficult to maintain the line.
